

Welcome to BrightPath

We are very excited to be welcoming your child to our centre!

It is important during your child's first week to carry your ID when picking up your child to verify your identity in the event there is an early childhood educator in the room who has not met you. Each child will also need to be signed IN and OUT each day. There will be a tablet located at the front reception, and each family will be provided a PIN number for use.

Finally, we wish to remind you of our open-door policy and welcome you to visit your child's classroom at any time. We also appreciate all parent questions, concerns and suggestions.

We are very excited to begin the journey with your family at BrightPath!
